Subject: CAA NOV for Global Partners in South Portland, ME

Hi Tom,

I am attaching a copy of a Clean Air Act Notice of Violation for Global's facility in South Portland, ME. This NOV supplements the prior NOV for the same facility from June 2014. I expect this NOV to go out in the mail today but wanted to send you a copy as soon as it was available. Please contact me if you have any specific questions or if you would like to schedule a meeting.

Thanks,
Beth
